

Orion MPD-1100

CAR MP4/MP3 PLAYER

INSTRUCTIONS

WELCOME

Thank you for purchasing our product. Please read all instructions carefully before operation, to ensure your complete understanding and to obtain a longer service life from the unit.

PRECAUTIONS

- The unit can only be used in 12V negative ground system.
- Before installation, Please disconnect the car battery terminal to prevent short circuit.
- When replacing the fuse, be sure to use one matching the amperage rating stated on the original fuse, otherwise the unit will perhaps be damaged.
- As the laser beam used in this compact disc player is harmful to the eyes, do not attempt to disassemble the cabinet.
- If your car is parked in direct sunlight resulting in a considerable rise in temperature inside the car, allow the unit to cool off before operation.
